SWATCOM2

Push-to-Talk Throat Mic

This unique Throat Mic and PTT (Push-to-Talk switch) was designed specifically for Military and Law Enforcement users who want a reliable accessory for voice communication that is streamline, easy to use and can be adapted in the field, for a variety of operational scenarios. Whether it involves Gas Masks, Breathing Apparatus, Protective Equipment, Bad Weather, Noisy Weapons, Noisy Vehicles or just plain Noisy surroundings the SWATCOM 2's got it covered.

The PTT switch on the SWATCOM 2 is located on the rear of the throat mic housing under the strap. It requires minimal pressure (3.0N or 0.67 pound force) to activate the integral switch and it is rated for 500,000 cycles of operation. By pressing the PTT switch the user ensures a solid connection between the throat and the microphone element. Additionally

the SWATCOM 2 contains breakthrough technology that is revolutionary in Throat Mic design. It also has the ability to function with digitally encrypted radio networks. The two pronged speaker option plug allows users to attach their selection of SWATCOM Speaker Options to further customize the product.

You will never have to hunt for the PTT switch again; you will always know exactly where it is. When you are crawling on the ground you don't have to worry about it going off by accident. The SWATCOM 2 is sealed and waterproof, the hypo-allergenic silicone rubber housing is held comfortably in place with a slip-resistant, expanding neck band, adjustable to just about anyone's neck.

Primary Options

Secondary Options

*The SC2 CANNOT be ordered without a separate Radio Interface Cable

Technical Specifications

Type of Product:	Microphone/PTT
Type of Microphone:	Proprietary
Mic Sensitivity:	-32+ / 6dB pk*
Mic Operating Voltage:	1.3 to 10 VDC
Mic Operating Current:	< 500 uA
Mic Frequency Response:	300Hz to 4kHz
Speaker - Single/Double:	Single/Various
Speaker Sensitivity:	Accessory Varied
Speaker Element Freq. Resp.:	Accessory Varied
Speaker Impedance:	77 to 88 Ohm
Headband Material:	Rubber
Weight:	1.5/42
Cable Pull Strength:	85/38
Colours:	Matte Black
Helmet Compatible:	Yes
Facemask Compatible:	Yes
Enviro Suit Compatible:	Yes
Water Resistance:	Yes
Adjustable Mounting:	Yes
ROHS Compliance:	Yes
Warranty:	18 months
Part Number:	SC2
